Clinical Setting for Skills Demonstrations

The Camp will offer programs designed for the ability and skills of each player. For those new to the game, the Camp instructors will provide an introduction into the game for the aspiring soccer player in a challenging setting that will only increase their love and interest in playing. Players will develop ball skills and techniques through games and training exercises.

For players who are keen to improve their skills and enhance their enjoyment of the game, players will undertake a program designed for their skill level and abilities, leading to a highly enjoyable and fun experience.
